"THE KNIGHTSBRIDGE"

A NEW BENCHMARK IN LUXURY LIVING IN ABUJA

The Knightsbridge

In a bold stride towards redefining luxury living in Nigeria's capital city, Polo Residences has announced the launch of its latest masterpiece; The Knightsbridge by Polo Residences, an exclusive residential development located in the heart of Wuse II, Abuja.

Designed to elevate the standards of modern urban living, The Knightsbridge will comprise 16 units of exquisitely finished three-bedroom apartments and 2 units of opulent four-bedroom penthouses, each offering an unobstructed 360-degree panoramic view of the Abuja skyline. Every apartment comes with a spacious Boys' Quarters (BQ), ensuring optimal comfort and privacy for residents.

"The Knightsbridge is a celebration of timeless architecture, innovation, and prestige, created for those who appreciate life at its finest.

The development represents Polo Residences' vision to blend sustainability with sophistication, setting new benchmarks in the Abuja real estate landscape"

Oleka Udenze Richard

Chief Executive Officer of Polo Residences

The upcoming development boasts

World-class features including:

-
- Ample parking and valet services for residents and guests
 - Concierge and 24/7 security services with CCTV surveillance
 - High-speed elevators for seamless vertical movement
 - Infinity balconies that merge architecture with breathtaking city views
 - Constant power supply supported by sustainable systems
 - Electric vehicle (EV) charging stations, reflecting a commitment to a greener future
 - A swimming pool
-

Construction of The Knightsbridge is scheduled to commence in January 2026 and will span an 18-month development timeline.
